

Thank you for choosing Sam La Grassa's "World's #1 Sandwiches." Our family run store has been making legendary sandwiches since 1968.

We have taken numerous steps to ensure you are receiving the freshest and best product possible.

Our sandwiches are made with fresh produce, fresh baked breads, homemade sauces, and all meats are cooked daily on site.

All meats are sliced to order and all sandwiches are made to order.

We use a state of the art, temperature controlled shipping container to ensure the product arrives to you in a refrigerated condition.

Remove product from the cooler and refrigerate. This product may be consumed cold.

Refrigerate for up to 4 days.

Freezing is optional. We've taken so many steps to deliver to you the freshest product possible, we don't recommend freezing.

Heating Instructions:

GRILLED BREAD SANDWICHES

Preheat oven to 400 degrees. Remove sandwiches from foil and place on a baking pan. Heating time may vary. The bread should be toasted and the center warm to hot.

1-2 sandwiches Bake at 400 degrees for 10 minutes

3-4 sandwiches Bake at 400 degrees for 12 minutes

DELI MEATS

Leave meat in plastic wrap. Place meat in microwave for 30-45 seconds. Carefully open and place on bread. The product may be hot. Add spicy brown mustard and swiss cheese to replicate a Sam La Grassa's Deli Sandwich. Slice in half and enjoy. Each plastic wrap contains one sandwich worth of meat. Heating time may vary.
